Dear Mrs. Duffin,

I am writing this letter to response your advertisement published in jobstreet.com. I would like to apply as a Civil Engineer and am very interested to occupy this job.

I am a high graduate of Bachelor of Science in Civil Engineering, Rajah Maramba State University. I had some practical experience during my college as part of our curriculum in our school. I have acquired myself with a range of skills that would allow me to blend with your corporation. My internship also provided me some experience on different civil engineering works.

From your advertisement, I can see that you are looking for candidates who have excellent skills that are relevant to civil engineers. I have a thorough knowledge of the processes of construction in ground engineering projects, water systems and also excellent interpersonal and communication skills. My organizational and multitasking abilities are advanced.

Together with the cover letter, I attach herewith my resume for your full consideration. I appreciate your time reviewing my application, and it will be a pleasure for me to attend an interview with you at your convenient time.

Yours sincerely,

Maridel Tanno
